The Y.™ For a better us.™

Every day, the Quincy Family YMCA gives our community the support it needs to learn, grow and thrive. From advocacy to education, disease prevention to athletics, safe spaces to volunteerism, everything we do helps strengthen our neighborhood and the people who live here. But keeping the Quincy area great is a full-time job. Every day, our community faces new challenges that create a greater need for the work we do. And we need your help to do it. Your gift can help the Quincy area and everyone in it shine. For a better you. For a better community. For a better country.

TOGETHER, WE CAN CREATE A BETTER US

GETTING BETTER EVERY DAY

The Y is a positive force in this community. Together, we take on the challenges that shape our future. From tackling the achievement gap to teaching healthy habits for a lifetime or giving people the chance to strengthen our community through volunteering; everything the Y does is in service of building a better us. Every day, our community faces new challenges that create a greater need for the work we do. YMCA donors, volunteers, members, and partners like you make the difference. When challenges arise, the Y – and donors like you – steps in. After 163 years of serving the Quincy area, the Y understands what our community needs to be its best. Working with generous donors like you, the Y provides everyone the opportunity to be healthy and thrive, to connect with others, and contribute to a better community. Everything the Y does is in service of making us – as individuals and a community – better.

For a better you. For a better community. For a better country.

When you donate to the Quincy Family YMCA, you make the Quincy area better through programs focused on:

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development – all grounded in the Y’s core values of caring, honesty, respect and responsibility.

Healthy Living

We help kids and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, and families from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.
