2. The first time you open the app you will need to select your default location (Quincy Family YMCA, Mt. Once you select your location that YMCA schedule will display every time you open the app. The schedules include classes, locations, areas, sports and events.

4. The app features a card-free membership card, a great feature if you are one that often forgets your card. This will allow you to scan the barcode on your phone at the Welcome Desk. To set up your card select “Membership Card” from the menu.

1. Select “Add Card”

2. Enter your name in the box. Enter the number off your membership card into the barcode number box.

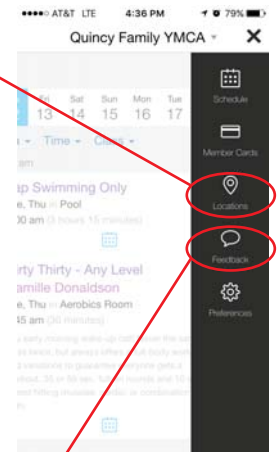

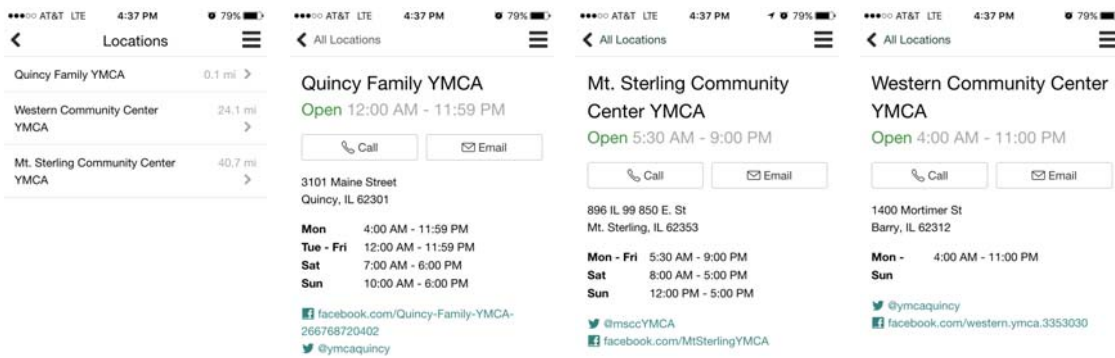

3. This is the card that you will scan at the Welcome Desk. Can be updated if you need to get a new one.
