WHO DO WE HELP?

Our Y helps people live, grow, and thrive. Over the last 12 months...

CONSULTATION

A Consultation is a complimentary one-on-one session where a trained YMCA professional will meet with you to identify your health, fitness and overall goals. During this session your consultant will identify Y programs, classes, resources and services to help you meet your needs and discover what the Y has to offer.

WHY SHOULD I SIGN UP FOR A CONSULTATION?

Everyone is different. What works for one person may not for others. Let us help you navigate all that we have to offer.

1. Receive guidance specific to your:
 - Goals
 - Lifestyle
 - Personal predispositions
 - Family wellness goals
2. Learn about programs offered at our Y that could help you and/or your family reach your goals.
