DONATION REQUEST

As a non-profit organization, the Y depends on generous support from individuals and businesses throughout the community to achieve its mission. Thanks to this generosity, the Y provides nearly \$155,000 each year in membership assistance and program scholarships. We strive to support other organizations committed to similar goals which are performing community service in the tri-state area by making our resources or facilities available when possible.

All donations made by the Y are intended for the sole benefit of the non-profit organization to or for which the donation was made. The resale or re-purposing of any donation by the organization or the winner of such a donation is strictly prohibited without the prior approval of the Y and will nullify the donation.

When making a request; complete this form and submit at least 15 business days prior to the event or fundraiser. Request for facility use should be submitted as early as possible. Incomplete forms may not be considered. Please include any printed material or information that documents the event or activity.

Generally, you will receive notification regarding your donation request within two weeks of receipt of your request. Please do not call unless more than two weeks have passed without notification.
